**THE ROAD TO MOCKSVILLE.**—The editor of the *Davie Times* seems to labor under the impression that there is no hope for the proposed railroad from Winston to Mocksville and that Winston does not want Mocksville to have the South Atlantic & North-Western road. He is mistaken. Winston wants a road from here to Mocksville and has been and is now ready to do her full share towards building the road. Winston has in all her negotiations in railroad matters always stood firmly with Davie. Ask Mr. T. B. Bailey and J. A. Kelly, the Davie delegates to Roanoke City, whether or not Winston and Salem showed any disposition to turn the cold shoulder to Davie and Mocksville? There is a better prospect for the early completion of the road from Winston to Mocksville now than there has been since the purchase of the N. C. Midland by the R. & D. R. R., and Winston and Salem are ready and anxious to do all they can to complete the road. The engineers are now re-running the line to see how much it will cost to finish it and if Davie county will do what she has heretofore promised we feel assured that the road will be completed very soon. Winston is not so selfish as to try to prevent Davie getting the South Atlantic & North-Western road.

The Roanoke Southern is not dead. Henry county, Va., and Martinsville, Va., have voted their subscriptions which, as we understand it, will enable the company to build to the North Carolina line. The question now is what will North Carolina do? Which is the better line for Forsyth and Davie counties, from Smithville to Bristol or from New York, Philadelphia, or Baltimore to the South and South-West?

**COUNTY ELECTION.**—The election in Winston and Salem, though animated, was conducted with good nature and order.

The following is the result on the county ticket:

For the House: Fries, Dem., 2090, Lineback, Rep., 2069.

Matthews for Senator has a majority of 383 over Buxton in Stokes county.

**RAILROAD NOTES.**—There will be a meeting of the stockholders of the N. C. Midland railroad in Winston to-day, and also a meeting of the directors of the Fayetteville & Winston railroad company.

Mr. W. I. Scott, civil engineer, has charge of the corps of surveyors engaged in surveying the line for the road from Winston to Mocksville.

Dr. Hunter is having the brick building adjoining David Spach, on Main street in Salem, torn down for the purpose of erecting a larger building on the site.

Judge McRae returned and opened Court Friday morning. The Court was mainly occupied in routine business, signing judgments, &c.

Next Sunday the Moravians will celebrate the 120th anniversary of the building of their church in Salem.

Forty-seven marriage license were issued by the Register of Deeds during the month of October.

Internal revenue collections in the Winston office for the month of October were \$41,013.08.

A sharp tremor of earthquake was felt in Winston last Friday about one o'clock.

—We are not running any political machine, but there may be no impropriety in remarking that if the primary system of elections previous to nominations were adopted in this State there might be less fault found with conventions and fewer independent candidates in the field.

## FARMERS' CLUB.

## Form of Constitution and By-Laws.

## CONSTITUTION.

This club shall be known as the Farmers' Club of \_\_\_\_\_ Township. Its object shall be to improve the condition of the farmers and promote the cause of Agriculture.

Its officers shall consist of a President, Vice-president and Secretary and Treasurer, who shall be elected for the term of one year.

It shall be the duty of the President to preside at all regular or called meetings of the Club, and to announce the order of business. In his absence the Vice-President shall preside. In the absence of both, the Club may elect a temporary Chairman.

It shall be the duty of the Secretary to keep a record of the proceedings of the club, and carry on such correspondence as the Club may direct.

In addition to the officers there shall be an Executive Committee consisting of three or more members, as the Club may determine, to transact business appertaining to the Club.

Applications for membership must be made by petition, endorsed by one or more members of the Club. Such petition shall be referred to a committee, who will report at the next regular meeting, when a vote may be had upon the petition, a majority of the Club, not of those present simply, being necessary to elect to membership.

No one shall be eligible to membership unless practically engaged in Agriculture. Farmers' wives and daughters may be elected as honorary members.

There shall be no initiation or other fee charged. All necessary expenses shall be defrayed by proportionate assessment or by voluntary contributions, as the Club may decide.

The President, Vice-president and Secretary shall be ex-officio representative members of the Club to the County Club, when such is organized, and shall have full power to vote and act for the Club, unless the Club shall decide to elect other members as such representatives.

The Club shall have power to draft by-laws for its government.

The constitution may be amended by giving two months' notice of the amendment proposed in writing, but no amendment shall be carried without a two-thirds vote of the members of the Club.

## BY-LAWS.

I. The meetings of the Club shall be held once a month (or oftener) at such time and place as the Club may direct. Special meetings may be called by the Executive Committee if deemed advisable.

II. The order of business shall be:  
1. Calling the roll.  
2. Reading minutes of preceding meeting.

3. Election of new members.  
4. Report of committees.  
5. Unfinished business.  
6. New business.  
7. Election of officers.

III. Elections shall be by ballot, the tellers appointed by the President, and those candidates receiving the largest number of votes, as counted before the Club, shall be declared elected.

IV. After the regular business, the club may hear discussions, essays or addresses upon Agriculture, but no religious or political discussions will be permitted, or nothing calculated to mar the harmony of the Club.

V. Seven members shall constitute a quorum for the transaction of business.

Each member will have the right to express his views fully upon any subject under discussion, but must do so courteously and not indulge in rudeness. Breach of courtesy will subject the offender to reproof, and if persisted in, he may be expelled by a vote of the Club. An expelled member cannot regain admission under one year.

Every member should feel it his duty to advance the interests of his fellow members, and of his brother farmers, giving such aid and council as they may seek, when in his power to do so.

The above form, with slight modifications, will answer for the organization of County Clubs.
